Two other novelties which Miss White told me all about to-day are the Japa-nese tailor suit and the Louis XV. costume, which has an overskirt that actually ties in a bow about the feet. The rat-tail robe is cut on the new Moyenage model-that is to say, with the waist-line below the hips. The corselet effect is produced by vertical applications of the rat-tail braid, which Public School, near Trenton, was to-day also decorates the bottom of the skirt neld in \$100 ball for the grand jury on a
